German Vigil –(202) 306-1668, german.vigil@dc.gov

Temporary Eastbound and Westbound Curb Lane and Sidewalk Closures on the 2200 blocks of 14th and 15th Street, NE between Downing Street, NE, and Adams Street, NE, For DC PLUG Feeder 14008 from July 8 to August 8, 2024.

(WASHINGTON, DC) – The District Department of Transportation (DDOT) is advising of temporary Eastbound and Westbound Lane and Sidewalk closures on the **2200 blocks of 14th and 15th Street, NE between Downing Street, NE, and Adams Street, NE** for Asphalt Base restoration.

The temporary Eastbound and Westbound curb lane and sidewalk closure will begin from July 8 to August 8, 2024, between 7:00 a.m. and 5:00 p.m., weather permitting. Residents will still have access to their homes, and parking will be prohibited as marked by “Emergency No Parking” signs.

The curb lane and sidewalk closures are necessary to complete the DC Power Line Undergrounding (DC PLUG) initiatives for Feeder 14008 for the Asphalt base restoration. The DC PLUG initiative is a partnership between the DDOT and Pepco to improve the resiliency and reliability of the District of Columbia electric system by placing select systems underground. Feeders are primary distribution power lines that provide services to approximately 1,100 residents within a specific neighborhood.

For more information about the DC PLUG Initiative and to stay up to date on traffic-related impacts and construction progress, please visit www.DCPLUGinfo.com, call the DC PLUG team at 1-844-758-4146, or email DC PLUG at questions@DCPLUGinfo.com.

###

The District Department of Transportation’s mission is to equitably deliver a safe, sustainable, and reliable multimodal transportation network for all residents and visitors of the District of Columbia.
