RE: Important Notice of Sidewalk restoration and Curb Lane Asphalt Base restoration for DC PLUG Feeder 14008

Dear Resident,

We want to inform you that the District of Columbia Powerlines Underground (DC PLUG) Initiative's Feeder 14008 is in the final stages of civil construction. As a result, our dedicated contractors will soon be commencing Asphalt base restoration in your neighborhood.

The Sidewalk restoration and Asphalt base restoration will begin July 8 through to August 8, 2024, on the 2200 blocks of 14th and 15th Street, NE between Downing Street, NE, and Adams Street, NE (weather permitting) Construction hours are Mondays through Fridays between 7:00 am to 5:00 pm.

During the sidewalk restoration and Asphalt base restoration, we kindly request your cooperation in observing the temporary prohibition of street parking. Please adhere to the No Parking signs posted in the affected areas. **Failure to observe the No Parking signs will result in your vehicle being ticketed and towed.** Weather permitting, the Asphalt Base restoration phase will take approximately 32 days.

We appreciate your patience and understanding as we progress toward creating a more reliable and resilient District of Columbia.

Warm regards,

The DC PLUG Team

Ann Walters
