Easy Place SE – Lane shift & Shoulder closure

A single lane shift & shoulder closure will occur daily between 9:30 a.m. and 5:00 p.m. on Easy Place S.E. from Southern Ave, SE. 46th St., SE to 46th St., SE Southern Ave, SE.

Traffic controls will be in place to guide all users of the roadway and sidewalks through the work zones safely. Motorists should expect delays due to the lane closures and are advised to stay alert and be observant of signage and road work crews while traveling in this area.

Printed notices will be distributed to residents, businesses and other stakeholders within the immediate project area.

These closures are required for construction activities associated with the following DDOT project:

District of Columbia Power Line Undergrounding (DC PLUG)

The District of Columbia Power Line Undergrounding (DC PLUG) initiative is a partnership between the District Department of Transportation (DDOT) and Pepco to improve the resiliency and reliability of the District of Columbia electric system by placing select systems underground. Feeders are primary distribution power lines that provide services to approximately 1,100 residents within a specific neighborhood.

For more information about the DC PLUG Initiative and to stay up-to-date on traffic related impacts and construction progress, please visit www.DCPLUGinfo.com or contact the DC PLUG team by phone at 1-844-758-4146 or by email at questions@DCPLUGinfo.com.

###

The mission of the District Department of Transportation (DDOT) is to enhance the quality of life for District residents and visitors by ensuring that people, goods, and information move efficiently and safely with minimal adverse impact on residents and the environment.
