RE: Important Notice Regarding Parking Restriction for DC PLUG Feeder 15166

Dear Residents,

We want to inform you that the District of Columbia Powerlines Underground (DC PLUG) Initiative's Feeder 15166 is undertaking civil construction in the Capitol Heights neighborhood.

We understand that parking can be an issue for residents, however, during the period of civil construction, we kindly request your cooperation in observing the temporary prohibition of street parking. Failure to adhere to the No Parking signs posted will result in your vehicle(s) being ticketed and towed.

Major construction has begun and the streets where residents and businesses will be impacted are Martin Luther King Jr, Avenue, Malcolm X Avenue, Mellon Street, Orange Street, Lebaum Street, Newcom Street, Oakwood Street, 2nd Street, 4th Street, and 5th Street, SE. The work hours are Monday to Saturday, from 7:00 am to 7:00 pm, though they are subject to change.

We appreciate your patience and understanding as we progress toward creating a more reliable and resilient District of Columbia.

Warm regards,
The DC PLUG Team
Ann Walters
