## Temporary Westbound and Northbound Lane Closure along the 200 block of Chesapeake Street SW, and the 4300 block of Overlook Avenue, SW for DC PLUG From June 6-28, 2024

**(WASHINGTON, DC)** – The District Department of Transportation (DDOT) is advising of a temporary Westbound and Northbound Lane closure along **the 200 block of Chesapeake Street, SW. between 2<sup>nd</sup> Street, SW, and Overlook Avenue, SW** for installing conduits, PCC base, milling and paving.

The temporary lane closure will start from June 6-28, 2024, between 7:00 a.m. and 7:00 p.m., weather permitting. Residents will still have access to their apartments or homes, and parking will be prohibited as marked by “Emergency No Parking” signs.

The lane closure is necessary to complete the DC Power Line Undergrounding (DC PLUG) initiative’s Feeder 14758 project for conduit installations. The DC PLUG initiative is a partnership between the DDOT and Pepco to improve the resiliency and reliability of the District of Columbia electric system by placing select systems underground. Feeders are primary distribution power lines that provide services to approximately 1,100 residents within a specific neighborhood.

For more information about the DC PLUG Initiative and to stay up to date on traffic-related impacts and construction progress, please visit [www.DCPLUGinfo.com](http://www.DCPLUGinfo.com), call the DC PLUG team at 1-844-758-4146, or email DC PLUG at [questions@DCPLUGinfo.com](mailto:questions@DCPLUGinfo.com).

###

The District Department of Transportation’s mission is to equitably deliver a safe, sustainable, and reliable multimodal transportation network for all residents and visitors of the District of Columbia.
