## Temporary Road Closure on the 100 block of Irvington Street, SW for DC PLUG on January 4, 2024

**(WASHINGTON, DC)** – The District Department of Transportation (DDOT) is advising of a temporary road closure on the **100 block Irvington Street, SW between Ivanhoe Street, and Martin Luther King Jr., Avenue SW**, for the installation of a manhole.

The temporary road closure will be on January 4, 2024, between 9:30 a.m. and 3:30 p.m., weather permitting. Residents will still have access to their apartments or homes, and parking will be prohibited as marked by “Emergency No Parking” signs.

The road closure is necessary to complete the DC Power Line Undergrounding (DC PLUG) initiative’s Feeder 14758 project manhole installations. The DC PLUG initiative is a partnership between the DDOT and Pepco to improve the resiliency and reliability of the District of Columbia electric system by placing select systems underground. Feeders are primary distribution power lines that provide services to approximately 1,100 residents within a specific neighborhood.

For more information about the DC PLUG Initiative and to stay up to date on traffic-related impacts and construction progress, please visit [www.DCPLUGinfo.com](http://www.DCPLUGinfo.com), call the DC PLUG team at 1-844-758-4146, or email DC PLUG at [questions@DCPLUGinfo.com](mailto:questions@DCPLUGinfo.com).

###

The District Department of Transportation’s mission is to equitably deliver a safe, sustainable, and reliable multimodal transportation network for all residents and visitors of the District of Columbia.
