**(WASHINGTON, DC)** – The District Department of Transportation (DDOT) advises stakeholders to expect delays due to the upcoming southbound road closure in the **6700 block of Blair Road, NW, between Aspen Street and Whittier Street, NW** for installing conduits. All residents will keep access to their homes. Please adhere to all NO Parking signs.

The road closure is estimated to last 5 days to accommodate the installation of conduits (weather permitting). This work is necessary to complete the DC PLUG initiative's Feeder 15009 project which consists of undergrounding powerlines for a more resilient DC.
