## Temporary Road Closure on the 2300 block of 13th Place, NE, For DC PLUG Feeder 14008 from March 29 to April 30, 2024.

**(WASHINGTON, DC)** – The District Department of Transportation (DDOT) is advising of a temporary road closure on **the 2300 block of 13<sup>th</sup> Place, NE between Bryant Street, and Downing Street, NE** for Manholes, Tapholes, Transformer Enclosures installation and milling, and paving.

The temporary road closure will begin from March 29 to April 30, 2024, between 7:00 a.m. and 5:00 p.m., weather permitting. Residents will still have access to their homes, and parking will be prohibited as marked by “Emergency No Parking” signs.

The lane closure is necessary to complete the DC Power Line Undergrounding (DC PLUG) initiative’s Feeder 14008 for manholes, tapholes, transformer enclosure installation, and milling and paving. The DC PLUG initiative is a partnership between the DDOT and Pepco to improve the resiliency and reliability of the District of Columbia electric system by placing select systems underground. Feeders are primary distribution power lines that provide services to approximately 1,100 residents within a specific neighborhood.

For more information about the DC PLUG Initiative and to stay up to date on traffic-related impacts and construction progress, please visit [www.DCPLUGinfo.com](http://www.DCPLUGinfo.com), call the DC PLUG team at 1-844-758-4146, or email DC PLUG at [questions@DCPLUGinfo.com](mailto:questions@DCPLUGinfo.com).

###

The District Department of Transportation’s mission is to equitably deliver a safe, sustainable, and reliable multimodal transportation network for all residents and visitors of the District of Columbia.
