RE: Important Notice Regarding Roadway Restoration of Feeder 14758

Dear Resident,

We're informing you that the District of Columbia Powerlines Underground (DC PLUG) Initiative's Feeder 14758 is nearing completion of its civil construction phase. Consequently, our dedicated contractors will soon begin roadway restoration work in your neighborhood.

The restoration work is scheduled to take place from **April 8-20, 2024, weather permitting**, with construction hours set for **Mondays through Saturdays between 7:00 am and 7:00 pm**. Here's an estimated breakdown of the specific locations and dates for the restoration work.

- **April 8-20 4400, 4500 and 4600 blocks of Martin Luther King, Jr., Avenue, SW between Galveston Place and Elmira Street, SW**
- **April 10-19, 4200, 4300, 4400, and 4500 blocks of Martin Luther King Jr, Avenue, SW, between, Chesapeake Street, SW, and Galveston Place SW**

During this period of roadway restoration, we kindly request your cooperation in refraining from street parking in the affected areas. Please adhere to the No Parking signs posted in these locations. Weather permitting, this phase of Roadway Restoration is expected to last approximately 13 days. We appreciate your patience and understanding as we work towards enhancing the reliability and resilience of the District of Columbia.

Warm regards,

Ann Walters

DC PLUG Community Outreach Coordinator
