June 14, 2024

## **RE: Important Notice Regarding Curb Lane Asphalt Base Restoration of Feeder 15166**

Dear Resident,

We're informing you that the District of Columbia Powerlines Underground (DC PLUG) Initiative's Feeder 15166 is nearing the completion of its civil construction phase. Consequently, our dedicated contractors will soon begin roadway asphalt base restoration work in your neighborhood.

**The Asphalt Base Restoration work is set to begin on June 14, through to July 15, 2024, from the 200, 400, and 500 blocks of Newcomb Street, SE, and 4<sup>th</sup> Street, SE between Martin Luther King, Jr., Avenue, SE, and 2<sup>nd</sup> Street, SE, weather permitting. Construction hours are Monday through Saturday from 7:00 am to 7:00 pm.**

During this roadway asphalt base restoration period, we kindly request your cooperation in refraining from street parking in the affected areas. Please adhere to the No Parking signs posted in these locations. Weather permitting, this phase of restoration is expected to last approximately 28 workdays. We appreciate your patience and understanding as we work towards enhancing the reliability and resilience of the District of Columbia.

Warm regards,

**Ann Walters**

DC PLUG Community Outreach Coordinator
