RE: Important Notice Regarding Road Closure for Milling and Paving Road Restoration of Feeder 15166

Dear Resident(s),

We're informing you that the District of Columbia Powerlines Underground (DC PLUG) Initiative's Feeder 15166 is nearing the completion of its civil construction phase. Consequently, our dedicated contractors will soon begin milling and paving restoration work in your neighborhood.

The milling and paving restoration work is set to begin on July 9, 2024, and goes on until July 19, 2024 (weather permitting). Construction hours are Monday through Saturday from 7:00 am to 7:00 pm.

- **200 block of Newcomb Street, SE between 2nd and 4th Street, SE**
- **400 to 500 Block of Newcomb Street, SE between 4th and Malcolm X, Avenue, SE**
- **2900 Block of 4th Street, SE between Mellon Street, SW, and Oakwood Street, SE**

During the milling and paving restoration period, we kindly request your cooperation in refraining from street parking in the affected areas. Please adhere to the No Parking signs posted in these locations. Weather permitting, this phase of restoration is expected to last approximately 11 workdays. We appreciate your patience and understanding as we work towards enhancing the reliability and resilience of the District of Columbia.

Warm regards,

Ann Walters

DC PLUG Community Outreach Coordinator
