## Temporary Road Closure along the 200 block of Chesapeake Street SW, and the 4300 block of Overlook Avenue, SW for DC PLUG From July 8-12, 2024

**(WASHINGTON, DC)** – The District Department of Transportation (DDOT) is advising of a temporary road closure along **the 200 block of Chesapeake Street, SW. between 2<sup>nd</sup> Street, SW, and Overlook Avenue, SW** for final restoration of milling and paving.

The temporary road closure will start from July 8-12, 2024, between 7:00 a.m. and 7:00 p.m., weather permitting. Residents will still have access to their apartments or homes, and parking will be prohibited as marked by “Emergency No Parking” signs.

The road closure is necessary to complete the DC Power Line Undergrounding (DC PLUG) initiative’s Feeder 14758 project for milling and paving installations. The DC PLUG initiative is a partnership between the DDOT and Pepco to improve the resiliency and reliability of the District of Columbia electric system by placing select systems underground. Feeders are primary distribution power lines that provide services to approximately 1,100 residents within a specific neighborhood.
